

The PNC has created its Ministry Information Form or church profile document. It has been approved by the Elders and the Presbytery Committee on Ministry. It has been posted to the Church Leadership Connection website. This website helps to match pastors and churches in the Presbyterian Church USA.

We have received 20 pastor submitted resumes or Pastor Information Forms. The website has matched us with 25 additional pastors. This is the total as of 28-Feb.

The Pastor Nominating Committee will be giving updates during our Church services every third Sunday. We will also have a "Listening table" on the courtyard to hear your thoughts and suggestions for our new Pastor.

We value your thoughts, pastor recommendations, and prayers.
