

Interim Pastor Search Committee Update - September 28, 2015

The IPSC committee has been busy these past few weeks with the process of selecting an Interim pastor. This process entails creating a Ministry Information Form, position description, identifying candidates (which include reviewing all resources and references), conducting interviews and viewing sermons. More information on how the selection of an interim pastor is conducted can be found under the Next Chapter icon on the home page.

The committee is working closely with our Presbytery and others to identify candidates that meet key attributes and job skills the IPSC determined to be essential for a WPC interim during this transition. Please keep us in your prayers as we begin to discern whom God is calling to WPC.
